Designated Funds

Sustaining the Causes You Love

Agriculture is a way of life in York County and it was John Smith's job to help it thrive, as head of the Penn State Extension Office in York.

John created a fund at YCCF after the death of his wife of 50 years, Paige. He decided that the John and Paige Smith Fund would provide annual grants to the causes and organizations that meant the most to them, forever.

John was involved with York County 4-H, which is why they chose the 4-H program as one of their grant beneficiaries. They are also preserving farm land for the next generation by supporting the Farm & Natural Lands Trust.

But overwhelmingly, the Smiths were dedicated to the York County Fair and York County Agricultural Society.

They saw the fair as a way to showcase the best of York County agriculture. Their annual grant enables the York County Agricultural Society to sustain this long-running York County tradition.

Paige died in 2002, and John passed away in 2012, yet their passion and dedication to York's agricultural community lives on forever thanks to their fund at YCCF.

Establishing a Designated Fund allows you to support the good work of a specific nonprofit agency or multiple specific organizations. Because it's given through York County Community Foundation, your gift provides the organization you select not only funding, but planned giving and investment management services and the power of endowment.

How it works

- You identify an organization that you wish to benefit.
- You make a gift to YCCF—you can give cash, appreciated stocks, real estate, or other assets.
- YCCF sets up a special fund in your name, your family's name, or in the name you choose.
- You receive tax benefits in the year your gift is made.
- Our board issues grants to the designated nonprofit organizations annually.
- We handle all the administrative details, including managing specific qualifications that you may establish for grant distributions.
- You receive annual fund statements.
- Your fund is an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs you care about. Your gift—and all future earnings from your gift—is a permanent source of community capital, helping to do good work forever.

Your gift provides more than just funding—your favorite organization will benefit from YCCF's investment stewardship and ability to manage endowment funds.
