

Meeting ever-changing community needs

FUND FOR YORK COUNTY

A lasting legacy

Michael and Eloise Newsome never intended to stay in York very long. Originally York was going to be a short career stop, but a peculiar thing happened along the way – they started giving to the community and the community responded. The Newsomes believed that York County was relying on them to make a difference. “York County grows on you, especially if you immerse yourself into its cultural, business, and social life,” said Michael. “When you appreciate the needs of the community, you give of your time and talent to make York a better place to live, work, and play.”

The next logical step for the Newsomes was to make a difference through charitable giving. York County Community Foundation’s Fund for York County was the right vehicle for Michael and Eloise to continue their community work and develop the legacy they hope to leave in York. “The Michael and Eloise Newsome Fund for York County will help us make York a great place to live for everyone,” said the Newsomes. “We’re pleased to be able to make a difference.”

When you establish a Fund for York County, *your gift addresses a broad range of local needs - including future needs that often cannot be anticipated at the time your gift is made. York County Community Foundation evaluates all aspects of community well-being: arts and culture, economic development, education, environment, health and human services, neighborhood revitalization, and more. The flexibility of your unrestricted gift enables YCCF’s program experts to respond to the community’s most pressing needs, today and tomorrow.*

How it works

- You make an unrestricted gift to York County Community Foundation during your lifetime or through a bequest in your will. You can give cash, appreciated stocks, real estate, or other assets.
- YCCF sets up a special fund in your name, the name of your family or business, or in honor of any person or organization you choose.
- You receive tax benefits in the year your gift is made.
- Our professional program staff determines the areas of the community need that would be most impacted by grants from your gift.
- YCCF handles all the administrative details and our board awards grants in the name of the fund you establish (if you prefer, grants can be made anonymously).
- Your fund is an endowment that is invested over time. Earnings from your fund are used to make grant addressing community needs. Your gift - and all future earnings from your gift - is a permanent source of community capital, helping to do good work forever.
