

## Site Access & Account Creation | **Applicant Tutorial**

You will access the system via the log on page. York County Community Foundation staff may have provided you with a link to this page, or by clicking '[grant login](#)' which is hyperlinked on the YCCF's [website](#). Staff recommends that you bookmark this page in your internet browser for ease of access. If you've already created an account, you may enter your email and password and log right in. Otherwise, you'll want to click on the Create New Account button. If at any time after creating an account, you can't remember your password, you may click on the Forgot Your Password button, enter your email address, and you will be sent a link to reset your password.

A screenshot of the "Logon Page" for the York County Community Foundation's online grant portal. The page has a light gray background with a large, faint "DEMO" watermark repeated diagonally. On the left, there are two input fields: "Email Address\*" and "Password\*", each with a corresponding text box. Below these fields are three buttons: a blue "Log On" button, a gray "Create New Account" button, and a blue link "Forgot your Password?". Two yellow arrows point to the "Create New Account" and "Forgot your Password?" links. On the right, there is a gray box containing instructions. The text in the box reads: "Welcome to the Foundation's online grant portal." followed by "New Users: Please click on 'Create New Account' to complete the registration process and create your logon credentials." and "Existing Users: Please enter your credentials and log in. If you forgot your password, please use the 'Forgot your Password' link to the left to reset your password." At the bottom of the box, it says "Not Sure? If you think that you have already registered in the system, do not create a new account. Please contact our Administrator, at example@email.com to receive your username and password."

### CREATE NEW ACCOUNT:

- Creating a new account is a multi-step process;

  - and sections three and four collecting **Executive Officer** information.
- After Organization Information has been entered click on the "**Next**" button.
- The next section is the "**User Information**" section, or YOUR information.
  - If your address is the same as your organization, you may use the "**Copy Address from Organization**" button to automatically pull the address information from the organization address fields into the address fields in this section.
  - It is very important to note that the email address entered in the **Email/Username** field becomes the Applicant's **Username** in the system.
- Once the fields on the "**User Information**" section are completed, click on the "**Next**" button.

  - If you are not the executive officer, select “**No,**” and complete the required Executive Officer fields.
- Once the executive officer’s information is entered, click on the “**Next**” button to create a password.
