## York County COVID-19 Response Fund FAQs

For Donors:

1. How do I donate?

**To make donations by credit card or PayPal:**

Click on the donate link on this page.

**To donate by check in any amount:**

Make your check payable to "York County Community Foundation" with "COVID-19 Response Fund" in the memo field and mail to:

*York County Community Foundation  
14 West Market Street  
York, PA 17401*

**To donate from a Donor Advised Fund:**

Simply recommend a grant from your YCCF donor advised fund. [Click here to access DonorCentral](#) to advise a grant to the COVID-19 Response Fund. If you need assistance with logging in, please contact [mmckinney@yccf.org](mailto:mmckinney@yccf.org)

**To donate other types of assets:**

To inquire about transferring other types of assets, please contact Mary Kay Bernosky, Vice President of Development at 717-848-3733 x 109 or email [mbernosky@yccf.org](mailto:mbernosky@yccf.org).

2. May I target my donation to a specific organization?

Since we are working closely with many community partners to target grants to meet the greatest needs as quickly as possible, donors may not restrict their contribution to the COVID-19 Fund to a specific grantee. If you have a specific organization you would like to support, we encourage you to give directly to that organization.

3. Should I give to this fund instead of making other donations?

**No.** This Fund is not intended to be the only vehicle to give funds to nonprofits working at the frontlines during the COVID-19 outbreak. You are encouraged to give directly to organizations you may have supported in the past or nonprofits you know are addressing needs in our community. This fund is another vehicle through which those needs will be addressed.

4. Is there a geographic focus for this fund?

The COVID-19 Response Fund will fund the response in York County, Pennsylvania. Donors seeking to support organizations outside of that geographic area are encouraged to make direct gifts or reach out to that area's community foundation for assistance in getting resources targeted to that region.
